

## Publishing Authorization

The school website has been designed to present the evolution of our new school while respecting any invasion of the privacy of others in their interactions. The publication of photos will therefore have no incidence or direct impact on the child. The objective of these publications is neutral and impartial with the sole intention of promoting the various activities, services and learning and educational programs of the school.

Martine Muhongayire  
School's headmistress  
Ecole Sainte-Anne de Kigali – ESAK
